Work experience in business economics and ICT

- Digital Marketing Manager (a 6-month-internship) for Suomen Kuitulava Oy, 2019
This internship was a project executed for Aalto University and Kuitulava Oy.
I was in charge of the field of Digital marketing, including content creating.
I also trained the staff on how to use the most critical softwares.
- Advertising and Marketing Coordinator and IT, F-Musiikki, 2008
I made the online store design and execution, as well as prepared the advertising materials, contacted retailers, importers and media.
I was the F-Musiikki representative in different events.
- Head of ICT training, Uusix-verstaat, City of Helsinki, 2006 - 2007
Designing and executing a studying environment
- Publications and communications Trainer,
Tietoteekki project, University of Helsinki, 2002 - 2004
Producing content for print media publications, designing education materials,
executing student evaluations

Other skills and hobbies:

- Sound and lightning design, video recording and stage technical work
- Web page creating with WordPress and Dreamweaver
- Graphic design and photography with Photoshop, Illustrator etc.
- Live mixing of orchestras and record production with Logic Pro X

I play bass and guitar, I sing and compose music in my home studio.
I also enjoy reading, watching movies and spending time with my dog.
